

REQUIREMENTS FOR CARDIO PULMONARY RESUSITATION (CPR)

ALL STUDENTS:

The required CPR is current certification for **Basic Life Support** (BLS for health care providers). The course must include single-rescuer, 2-person, AED, team basic life support with a focus on High-Quality CPR, team dynamics and must have a skill check component by a certified instructor.

The course must be taken directly through one of the following providers:

* *American Heart Association (AHA)*

OR

**American Red Cross (ARC)*

OR

**American Safety & Health Institute (ASHI)*

Military Students: AHA has recognized the Military Training Network (MTN) for Resuscitative Medicine Programs, thus the MTN provider cards are the equivalent of the corresponding AHA provider card.

Your CPR card (hard card or Ecard) must be submitted to your compliance account.

Note: No letters or certificates will be accepted, only the official CPR card is approved.

Graduate Students: Please note that there might be additional requirements for CPR. Please refer to Castle Branch for listings.
