Request an Educator State ID

The Ohio Department of Education creates and assigns Educator State ID numbers to individuals for use in the CORE system. The Educator State ID is necessary to complete an application for licensure. Educator State IDs also help Department staff identify and eliminate the occurrence of duplicate records in the Department’s database.

Please complete the following steps to request an Educator State ID:

Step 1. First, you must have an OH|ID account and create a Department of Education Profile. If you have not completed these steps, please follow the instructions beginning in the Create an OH|ID Account section of this manual.

Step 2. After you have created an OH|ID account and Department of Education Profile, navigate to https://ohid.ohio.gov/ and log in to your OH|ID account.

Step 3. Open the Educator Licensure and Records (CORE) app under My Apps.

Step 4. Click My Profile in the red ribbon at the top of your CORE Dashboard.

(Figure 20 CORE Dashboard)
Step 5. Click **Obtain Educator State ID** and answer the questions in the pop-up box. If you answer **Yes** to any of these questions, you already have an Educator State ID. You may be prompted to select an account that matches your demographic information. Once you have answered all the questions correctly, your Educator State ID will be assigned automatically and appear on your CORE Dashboard under **My Educator State ID**.

**Please note:** If you are a credentialed educator in the State of Ohio, you already have an Educator State ID. You will see it on your CORE Dashboard under **My Educator State ID** and in My Profile under **Educator State ID**. **IF** you are a credentialed educator in the State of Ohio and the **Obtain Educator State ID** button appears, you may have a duplicate record. This requires maintenance in the Department's data system. **DO NOT click Obtain Educator State ID if you are a credentialed educator.** Please contact Educator Licensure Customer Support at Educator.Licensure@education.ohio.gov to correct the duplicate records.
