

Student Check list for Health and Insurance Requirements

Due dates for Undergraduate (BSN, RN-BSN) programs:

If your first clinical course is in fall: due August 1

If your first clinical course is in spring: due December 15

If your first clinical course is in summer: due April 1

Due dates for Graduate (DNP, Masters, Post-Masters) programs:

Must be completed 3 weeks prior to the first day of the semester of your first clinical course.

Physical Exam - student fills out Section I, your healthcare provider should complete Sections II and III (5-page form)

_____ Create a personal **Castle Branch** account.

IMMUNIZATIONS

_____ **Tetanus/Diphtheria/Pertussis Tdap** (must be within the last ten years)

Td 10 year Renewal: A single dose of **Tdap** for **adults** 19 or older who have not previously received a **Tdap** vaccine is required. If you have received a Tdap, then a tetanus and diphtheria booster (called Td), or a Tdap, is needed every 10 years.

_____ **Measles, Mumps and Rubella**: One of the following required:

Documentation of two MMR vaccinations **OR** Positive antibody titer for all three components

If born before January 1, 1957, you are considered to have presumptive immunity. However, you should consider immunization in the event of a disease outbreak.

_____ **Varicella (Chickenpox)** One of the following required:

Documentation of two Varicella vaccinations **OR** Positive antibody titer

History of disease is not accepted

_____ **Hepatitis B** vaccination series (2 doses 4 weeks apart; 3rd dose 5 months after second dose) **and** positive antibody titer (antigen is not accepted).

If titer is negative, a booster or repeat of the series should be given, per decision of the healthcare provider.

_____ **TB (Tuberculosis)**

Option 1: Two-step Mantoux for TB (2 skin tests, one week apart) along with subsequent consecutive annual one-step Mantoux tests. Subsequent tests are required yearly by the 12- month anniversary date of the previous test.

Option 2: Medical documentation of at least two consecutive negative annual Mantoux screening; one must be current year. Subsequent tests are required yearly by the anniversary date of the previous test.

Option 3: Chest x-ray indicating no evidence of tuberculosis. Annual symptom review can be completed in subsequent years.

Option 4: Negative QuantiFERON Gold TB test or negative T-Spot TB test. Annual symptom review can be completed in subsequent years.

Positive TB Skin Reactors - If any of the above are positive, documentation by the healthcare provider must be submitted regarding appropriate follow-up testing and treatment.

Symptom review form can be located on the *Student Life* tab of the web page under Helpful Resources:

<https://health-education-human-services.wright.edu/nursing-kinesiology-and-health-sciences/nursing-handbooks-and-requirements>

NOTE: If you travel out of the country, a TB test (Mantoux, chest-ray or blood test) will be required to meet the annual TB requirement.

_____ **Flu shot** annually by October 1st (fall start). If spring (January) start, your due is **December 15** prior to starting the nursing program. Subsequent years, due by **October 1st**.

Note: The School of Nursing must meet all health requirements by contracted clinical agencies/partners, in order for students to have the opportunity to obtain clinical experiences. Should additional requirements occur by clinical partners while the student is enrolled in the nursing program, the student will be required to complete these, at their expense. This would include, but is not limited to, vaccines, lab testing or background checks.

CARDIO-PULMONARY RESUSCITATION (CPR)

_____ Copy of **both sides** of your CPR card (Ecard or hard card) or submit the official ARC certificate. The only accepted BLS CPR: **American Heart Association, American Red Cross, or American Safety & Health Institute (ASHI)**

- **Military** Acceptable CPR: BLS Provider through the Military Training Network/Cardiac & Trauma Life Support

- **Graduate Students:**

Acute-Gero NP student: BLS and ACLS

Pediatric NP student: BLS and PALS

Neonatal NP student: BLS and NRP

Note: No letters or certificates from a CPR instructor will be accepted; only the official CPR card/certificate.

_____ Copy of **both sides** of your Health Insurance card

If you carry WSU Student Health Insurance, you must submit a copy of your paid bill, which lists Student Health Insurance, each semester.

Note: If you are covered under a parent's, or spouse's, insurance plan and your name is not on the insurance card, you will need a letter or document from the insurance company stating that you are covered. You will then need to upload a copy of the official card and the letter, **or**, just the letter if it contains the insurance information (number, company, date of coverage).

Military: if your name is not on a spouse's military Insurance card, please contact the insurance company and obtain a statement indicating that you are covered under your spouse's military insurance

_____ **Technical Standards**

All students must read and sign the Technical Standards. Download the signed/dated sheet into the appropriate tab on your Castle Branch account.

Required Training Programs: *Pilot Course: Training for the WSU Nursing Program*

- Instructions for the two (2) required training courses are available under the Student Life and Resource tab
- Complete the training, then follow the instructions in the course for loading the required document into your compliance account (Castle Branch)
- Note: This is an annual requirement

_____ **Bloodborne Pathogens** (WSU: all students)

_____ **Clinical Passport** (*Greater Dayton Area Hospital Association*): **Undergraduate students only**

Other:

_____ **RN License for Graduate and RN – BSN Students only:** Copy of verification of nursing license from OBN website

Requirements that need to be renewed annually after admission

- ✓ Flu Shot (each year by October 1st)
- ✓ Health Insurance Card /WSU Insurance receipt for current term
- ✓ Negative TB Test or symptom review (only after having blood test)
- ✓ CPR (completed every 2 years by the expiration date of the card); must be annually compliant
- ✓ Bloodborne Pathogen Training (all students)
- ✓ Clinical Passport Training (GDAHA) – undergraduate students only

It is the student's responsibility to maintain compliance with all requirements and have documents submitted in a timely manner into Castle Branch.

*****Please keep copies of everything you submit for your own records.*****
