

Wright State University Initial Educator Preparation Candidates Completing their Program in the Expected Timeframe

2019-2020 Program Admits

Program	Level	Timeframe Expected to Complete Program upon Program Admission	Number of Admitted Candidates who Enrolled in the Program	Number of Candidates Completing Program in Expected Timeframe	Percentage of Candidates Completing Program in Expected Timeframe
Adolescence to Young Adult Education and World Languages	Undergraduate	2 years	5	4	80%
	Graduate	1 year	26	23	88%
Elementary Education	Undergraduate	2 years	85	70	82%
Health and Physical Education	Undergraduate	2 years	9	7	78%
Intervention Specialist	Undergraduate	2 years	Low n	Low n	100%
	Graduate*	2 years	17	3	18%
Middle Childhood Education	Undergraduate	2 years	-	-	-
	Graduate	1 year	24	20	83%
Total			167	128	77%

* The timeframe expected for completion is based on the assumption that students are attending full-time once admitted to their program. Most students in the graduate-level Intervention Specialist program attend part-time due to holding full-time employment, hence the lower completion rate.
