SOCIAL WORK PROFESSIONAL STATEMENT GUIDELINES

As a part of your application for admission to the Social Work Department we ask that you write a statement responding to the items listed below. Your statement will be read by members of the Social Work Faculty. It will be assessed for the relevance of content as well as the clarity of expression. Apply the knowledge and experiences you have gained in your social work classes to complete this statement.

You are expected to respond to all of the items. Your statement must be typed and double-spaced. Make sure your name is on both the professional statement and social issue paper.

(1) Students make a decision to pursue a career in social work for a variety of reasons including volunteer and/or work experiences, course work, personal values, and life experiences. Please develop a 500 word statement (about 2 typed, double-spaced pages) discussing your own specific reasons for wanting to become a social worker.

Include:
- Specific strengths you currently have to bring to this professional role.
- Identify areas of social work practice you need to strengthen before entering practice
- Specify your hopes for how the social work curriculum will assist you in your professional growth.

Tips for professional statement:
- Stick to the 500 word requirement.
- Address each aforementioned bullet point.
- Be specific – you need to support claims that you make with examples from your classroom learning, volunteer experiences, research, etc.
- Information about your personal life story that has influenced your desire to be a social worker should be one paragraph or less.
- Proofread your document – your grammar, spelling, sentence structure, and paragraph usage will be evaluated.
- Use 12 point Times New Roman font.
- Use one inch margins.
- Label the top of the paper with the heading ‘Professional Statement’.
- Include your name on the paper.

(2) Discuss a social issue that is of particular interest to you. Prepare a 250 word statement (about one typed, double-spaced page) in response. Describe how you believe:
- Our society should address this issue.
- How you might contribute to its resolution.
Tips for social issue paper:

- Stick to the 250 word requirement.
- Address each aforementioned bullet point.
- Be specific – you need to support claims that you make with examples from your classroom learning, volunteer experiences, and/or research.
- Proofread your document – your grammar, spelling, sentence structure, and paragraph usage will be evaluated.
- Use 12 point Times New Roman font.
- Use one inch margins.
- Label the top of the paper with the heading ‘Social Issue’.
- Include your name on the paper.

(3) Is there any additional information which you believe might be important for the faculty to know as we consider your application for admission?

■■■ NOTE ■■■ It is advisable to retain a copy of these materials for your personal records.
The Ohio Counselor, Social Worker, and Marriage and Family Therapist Licensing Board requires that you complete a form detailing any criminal history. To help prepare you for this process and to help screen potential senior placements, we are asking you to complete this application. You will NOT automatically be denied admission to the Department of Social Work or, in the future, a license to practice. However, failure to accurately provide this information will be considered falsification.

The following language has been taken from the Licensing Board and also applies to the WSU Department of Social Work application:

_The Board does not pre-evaluate criminal convictions; the evaluation is a part of the application process. Since the Board has the responsibility to protect the public, a primary objective of the Board is to ensure applications for licenses from applicants with criminal convictions have documentation on file that gets an appropriate review. For this reason, the Board evaluates all misdemeanors and felony convictions in the same manner for each type of professional license._

All applicants are required under law to report all misdemeanor and felony convictions unless they are only minor traffic violations. All charges and/or convictions require a “yes” answer, even if the original charge and conviction is in an expunged status. Failure to report any police record is falsification of an application and is grounds for denial of an application. When reporting convictions, the applicant is required to provide a complete explanation of the underlying circumstances, sufficient rehabilitation evidence and a copy of the court documents. The Board evaluates each application with any reported convictions on a case-by-case basis to make a determination concerning the applicant’s ability to practice with safety to the public. Included in the Board’s evaluation is the nature and severity of the offense, additional subsequent acts, timeframe of crime, compliance with sanctions, and evidence of rehabilitation.    - ____NO
   - ____YES. If yes, please provide detailed information, and include any disciplinary actions. Additional documentation may be required.

2. Have you ever been convicted of a felony?
   - ____NO
   - ____YES. If yes, please provide detailed information, and include any disciplinary actions. Additional documentation may be required.
